

## RecycleBank® Green Schools Program

Dear Parents,

**Great News!** Our school has been selected for the RecycleBank Green Schools Program. Green Schools empowers kids to understand their impact on the environment and take action. We are looking to further our student's environmental education and RecycleBank, in partnership with Coca-Cola, has offered an opportunity to help us reach our goals.

**We need your support.** Green Schools is a group effort. Parents, teachers, students and their communities work together with RecycleBank to make our Green School Program a reality. As you continue to earn Points for your recycling efforts, we ask that you to share some with our local school.

### **WE NEED YOUR HELP:**

#### **1. DONATE YOUR RECYCLEBANK POINTS BY JANUARY 15TH, 2009**

RecycleBank encourages you to donate your Points to our school. Donating Points is easy! Simply log onto [RecycleBank.com](http://RecycleBank.com), click on Donations in the Redeem section and select the Green School program for our school. RecycleBank will convert your donated Points into dollars that come directly to us. \$10 will go to our Green School Program for every 100 Points donated.

#### **2. RECYCLE. RECYCLE. RECYCLE!**

Its simple math: the more you recycle, the more Points you'll have to donate. So, we encourage you to become a mean, green recycling machine. Turn the house upside down, clean up a neighborhood park or collect recyclables from work. Every little bit helps!

#### **3. SPREAD THE WORD ABOUT OUR GREEN SCHOOL PROGRAM**

The more Points donated, the more our school and your community benefit. So spread the word to parents, teachers and the community about our RecycleBank Green School program. This way you help us to continue our children's environmental education.

**With RecycleBank Green Schools – Everybody Wins!** Thanks so much for helping us to reach our goals and make this grant a true reality. We only have until January 15th, 2009 to earn our Points, so don't delay; donate to our school today!

Sincerely,

RecycleBank, Coca-Cola & East Greenwich Township Schools
